*Eve Carson died in March 2008. She was our student body president, trustee, wonderful person and great friend, who embodied Carolina's best and captured Carolina's spirit in her own words: "excellence with a heart."*

*The Eve Marie Carson Memorial Junior-Year Merit Scholarship was established to celebrate and remember Eve's love for the University and its students. Eve envisioned this one-year merit scholarship as a way to recognize individuals who began to realize their potential as leaders while attending Carolina.*
